THE WHY – Rationale & Research

The Bal-A-Vis X program is based on the research of Dr. Robert M. Gagne, who identified the importance of the "why" of learning. The program is designed to help participants understand the "why" of learning and how to apply this knowledge to their own practice. The program is designed to help participants understand the "why" of learning and how to apply this knowledge to their own practice.

THE HOW – Top 3 Learner Objectives for Participants

Participants will be able to identify the components of the Bal-A-Vis X program and explain the role of each component. Participants will be able to identify the components of the Bal-A-Vis X program and explain the role of each component. Participants will be able to identify the components of the Bal-A-Vis X program and explain the role of each component.

Participants will have an additional opportunity to purchase personal sets of table hockey equipment at the end of the training.

MEET YOUR FACILITATORS

KATY AND OSCAR HELD

Founder and Son, Purposeful Movement, Ann Arbor, Michigan

Katy and Oscar Held are the founders of Purposeful Movement, a non-profit organization dedicated to providing high-quality, evidence-based physical education programs for children and adults. They have been instrumental in the development and implementation of the Bal-A-Vis X program, which is a unique and effective way to teach physical education skills and concepts.
